For those who *Ruby The Copycat Study Guide* price it too excessive in comparison with your competition, you will see that yourself steadily lowering the value, which is able to cause you every kind of new problems in the future.

Choosing the right price on your **Ruby The Copycat Study Guide** e book is one of the most crucial elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the highest worth your audience can afford, and then for those who find your book isn't promoting, you can at all times reduce the price. Earlier than you are taking that step, ensure you are promoting your Ruby The Copycat Study Guide book like loopy on the Internet and on websites. The price must be aimed at bringing in income, but it's best to by no means forget that worth is one of the factors that people use in judging the worth of your *Ruby The Copycat Study Guide* ebook ? before they buy it. So at all times begin with the very best price, and then launch a mega-advertising campaign.

Pricing an ebook is especially tough because ebooks are a reasonably new commodity. Since they are digital, the value of an ebook is as confusing because the understanding of what digital really is

to the average layperson. This means that we must take a look at ebooks in a distinct gentle with a view to decide their precise price in this courageous, new cyber world.

Let us take a look at the distinction between a e-book in print and an ebook. A printed e book is an object you possibly can hold in your hand, store in your bookshelf, even hand down to the subsequent generation. It's priced on components such as paper stock, design and production prices, and marketing.

But the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the power to change, or presumably rework, people's lives.

What do you suppose an concept is value when evaluated in opposition to the cost of paper and ink?

It is the IDEAS which are useful! That is the way you decide the cost of your ebook.

What ought to I cost for my ideas?

There are all totally different formulas and strategies for determining the proper worth for your ebook. Let's begin with honing in in your ultimate goals.

Decide if your objective is to get extensive distribution and most exposure. This objective is aimed at drawing clients to your small business or service, or to establishing the credibility of your reputation. If that is your fundamental goal, you must intention to keep your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a excessive variety of new customers. The key is to discover a worth that maximizes your profits and the number of books you sell.

This is a superb pricing technique if you're looking to acquire long-time period customers. Long-term customers are extremely probably to buy from you once more and once more ? so long as the first e-book they purchase is of distinctive high quality and beneficial to the customer.

Nevertheless, if your guide accommodates useful ? and extra importantly NEW information, references, or strategies ? then you need to intention to price it on the excessive end.

After you determine your goal, you will need to figure out what your viewers's want is for your ebook. For instance, does your book resolve a particular problem? If it does, and solves it in a means that hasn't been written about in one hundred different ebooks, you will be able to achieve

high gross sales at a high price. In case your e book solves an issue or solutions questions in a new and unique method, it is best to price your e book as excessive as you can go. You will achieve larger income this manner, however herald fewer customers. Just be sure that the question or drawback that your guide solves is one which is necessary and relevant to the vast majority of your market audience. In case your concepts are usually not widespread data, or you might be presenting a brand new approach, you will be able to sell books at a high price. Simply be prepared in your competition to undercut you on worth as quickly as they hear about your book.

Remember that the above pricing technique is temporary. Eventually, you'll cease to promote books at this high price. So determine upfront how lengthy you plan to offer your e-book at this excessive price, and when that point is up, change your pricing strategy.

If you want to see large earnings over buyer draw, goal for an viewers that's on the lookout for simple options to their issues at a low price. If your ebook is aimed toward solving one particular downside moderately than normal advice, then you possibly can charge more. Start on the highest value the market will bear to herald the largest profits, and plan to discount the e-book a variety of occasions throughout the year.

## Advertising and marketing Strategies

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your selling handle. This sentence states what question or drawback your guide answers and the advantages your e book can provide. Then you'll want to use that sentence in

every piece of sales and promotional material, and every time anybody asks you about your ebook.

Besides selling your books assiduously on-line, there are a number of other methods that may show you how to sell extra books.

One is to present one thing away without spending a dime with your e book, reminiscent of a helpful bonus item. Or bundle a number of ebooks underneath one price, which lowers the worth for each e-book if they have been sold separately.

An effective method for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion in terms of price. Do this by creating a sales web page for the new ebook, but don't embody a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Ensure that your gross sales copy is strictly the same on each web page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum worth is.

Ultimately, if you happen to've written a e-book that solves a problem or presents a brand new method, your guide will usher in both site visitors and profits. So be sure to write that selling-deal with sentence that sums up what downside your ebook solves and what the benefits of your *Ruby The Copycat Study Guide* book will probably be to the shoppers who purchase it. After which watch your market come to you!
